Contractors I Trust

When you work with a Realtor, you access their network of trusted partners!

I've worked with these people for a while and could probably write a newsletter on each one. However, this condensed list will have to do! These referral partners, contractors, and friends helped me build my business, and it's my pleasure to share them with you.

If you're looking for a stress-free deep clean or a quote to finish your basement, look no further! These recommendations have proven themselves time and time again. They've taken care of my clients and me, and I know they'll take care of you.

I've included phone numbers and QR codes to their websites to make it as easy as possible. To use the QR codes, open the phone app on your phone and place the QR code in frame. After a second or two, a link should pop up. Tap on it to go to their site.

Oh, and tell them Stu sent you!

NoVaMovers

(703) 334-1111

The President and CEO, Amne Fettar, is a good friend of mine. They're very courteous and always attentive to my clients' needs. They're equipped to handle your unique needs.

Isaac's Maid Services

(571) 831-1048

Isaac Coreas runs a stress-free house cleaning service. They're a lifesaver in the hectic moving process. Many people enjoyed their move-in deep clean so much that they use Isaac's Maid Services on a monthly basis.

Brennan Title Company

(703) 917-0001

Brennan Title Company is the title company I work with. Their website provides plenty of helpful information for buyers and sellers alike. However, what I really love is their commitment to charities. They support dozens of nonprofits, from the Alzheimer's Association to the Wounded Warrior Project. Brennan Title even started their own charitable organization, Help for the Hungry and Homeless (HHH).

"I'm never too busy for you or your referrals"

Larry Doyle Roofing & Gutter

(703) 444-9153

Larry Doyle's family business specializes in roofing, gutter, and exterior services. However, they do a little bit of everything. Call him after a hail storm for emergency roof repairs. Keep him around for windows, doors, and siding.

H&M ProServ Group

(571) 420-3571

H&M ProServ Group is very well-rounded and can do any property renovations. They finished a basement for a client of mine in Aldie. They were prompt, professional, and all-around helpful.

Fish Window Cleaning

(571) 292-2605

Les and Dr. Lona Bryan own and operate our local franchise. They're great people, and their employees share their professionalism, friendliness, and courtesy.

Procardix Remodeling

(571) 320-5238

pocardixrenovations@gmail.com

Oscar Cruz manages renovations and remodels. However, he greatly helped me with a wood floor repair. A small patch of hardwood flooring, faded by 20 years of sunlight, had some water damage. Oscar repaired the damage but went above and beyond to match the color, and it blended seamlessly!

That's all I can fit into this newsletter, but I have plenty more!

I work mostly by referrals, and so do these guys. It pays to have a local community of referral partners, contractors, and friends. If you're part of a local business, let's connect! I would love to invite you to the LeadShare I'm starting. Not everyone needs your business right now, but chances are everyone has a referral to share!

"We cannot be happier. After we bought the house, he sent excellent recommendations for contractors for home improvements. We would recommend Mr. Stuart 100%."
